PARKING REMINDER

We now have the option of parking across the street from the church at the 4-H Center in either of the lots but not in the circular driveway. **Two crossing guards are on duty from 9:15-12:15 each Sunday.** Also, parking is permitted on the west side of Connecticut Ave. directly across from the church. Everyone who is able to walk that distance is asked to park across the street. This will leave the church parking lot and the spaces closest to our building available for those who have some difficulty walking, those with small children, and visitors. Thank you!
